Slow Down, Look and Be Aware

Slow down in the School Zone! Stop for pedestrians (Children) in the cross walk.

Just south of the bus loop there is a "NO PARKING" zone. It is marked with yellow paint and "No Parking" signs. PLEASE, do not park in this area. The area is marked so children can be seen and remain safe.

Burning Within the Village Limits

Burning is not allowed in the Village unless you have a burning permit. Permits are issued by the Village Clerk.

Call the Fire Chief at 749-3425 to have your burning site approved. If the site is approved, he will notify the Clerk and then issue a permit. Remember to renew your burning permits. If you have questions, contact either the Fire Chief or the Village Clerk.

Reminder to Dog Owners

This is a reminder to all dog owners! All dogs were to be licensed by April 1, 2014. If you have not done so, you are late. Please license your pet as soon as possible. Contact the Village Clerk.

Wisconsin State Statue #174 and Village Ordinance #30-73; requires dog owners to provide current rabies vaccination, and annually license any dog over five (5) months of age. Any dog owner that has not licensed each dog they own, by April 1st; is subject to being issued a citation and fine for each offense.

The Village also requires dogs to be leashed. Every owner is responsible for collecting and appropriately disposing of feces deposited by their dog. **Please remember to pick up after your dog!!!**

Smoke Detectors

When you set your clock ahead, did you remember to change the batteries in your smoke detectors?

Tues. & Thurs. 1-8 PM

Saturdays 10 AM-1 PM

Registration for Summer Reading begins soon. Open to all ages (toddlers-adults) www.robertspubliclibrary.org; "Like" us on facebook for information & updates; HMCL@robertspubliclibrary.org; Phone: 715-749-3849

Water/Sewer/Garbage Bills

Are your bills high? Do you have a hard time paying the full amount on time? Consider paying ahead!

Pay your current quarter in full, this will eliminate late charges. Then the next two months, pay one third of your last bill each month. In the first month of the next quarter, you will have only a cleanup amount to pay.

If you have questions, please contact the Village Hall and we can help you out.

Park Building

Are you planning a graduation, wedding, special event or just a party? Check out the Village Park Building. A serving area has been added for your convenience. If interested call the Village Clerk at 749-3126.

PLEASE TAKE NOTE!!!

- The Village is experiencing a spike in Copper at the Wastewater Treatment Plant. DO NOT use copper based products for cleaning roots out of your laterals.
- DO NOT dump unacceptable items down your drains. NO rags, towels, Swiffer type cleaners, bacon grease, deep fryer grease or cooking oil. These items impact our lift stations and the treatment plant.
- Storm sewers are not for dumping. Storm sewers are the grates in the streets. DO NOT dump anything except clean water (i.e. rain barrel or swimming pools). REMEMBER – what you dump does come out somewhere else and impacts the communities and your neighbors.
