Notice of Rate Increase Sewer Customers of the Village of Roberts Sewer Utility

This is to give you notice that the Village of Roberts Municipal Sewer Utility will increase sewer rates effective January 1, 2019. The increase is necessary to reduce the existing deficiency in present rates and pay for the Wastewater Treatment Facility. Below is an example of an average usage of 12,000 gallons.

Volume (1,000 Gal)	Existing Quarterly Bill	Revised Quarterly Bill
12	\$191.03	\$210.25

(Bills reflect \$52.91/\$58.21 quarterly service charge – Volume Charge \$11.51/\$12.67)

This rate increase will go into effect on January 1, 2019.

If you have any questions about the rate increase request, call the Village of Roberts village hall at (715) 749-3126.
